and Developmental Disabilities*

Mentorship:

competitive society vs mentoring society

September 14, 2021, 12:00pm CST

Women of Rotary District 6490 is excited to announce a virtual series featuring entrepreneurial, technical, professional, and innovative Women speakers every month, and is hosted by Women of Rotary District 6490.

The scheduled presentations cover a variety of topics such as mentoring, power, and influence.

Through this event, we want to encourage and empower women and men to embrace the Service Above Self motto.

Speakers will share stories of how they have effected change in their lives, at work, at home, and within their communities.

Join us in celebrating and expanding connections in your network as we learn about small changes we can make in our own lives that can have a lasting impact.

About Women of Rotary

Women of Rotary District 6490 is inclusive and welcoming to culturally underrepresented women and men of all ages for improving the lives of individuals and communities, while benefiting Rotary International as a whole in a way consistent with the Rotary International Strategic Plan. We believe in Service Above Self, illustrating how a small action can have a big impact.
